

# 'Bingo' Game

Firstly cut out the number cards, bingo markers and bingo cards (on next sheet).

Each player will have a bingo card and 3 matching bingo markers.

Place all of the number cards into a hat and take it in turns to pick a card.

When a number picked from the hat matches a number on your bingo card use a bingo marker to cover the number.

The winner is the player who fills their bingo card first.

Encourage your child to say the numbers in English when they are picked from the hat.
