

Act out the Verb Game

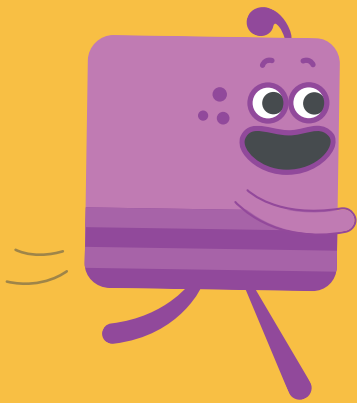

Cut out the action cards below and on sheet.

Mix the cards and place them into a hat.

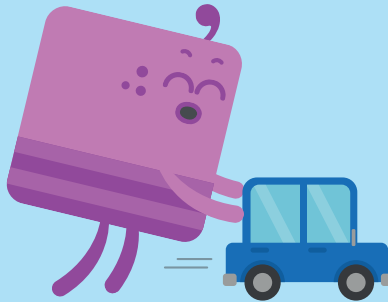

Take it in turns to pick out a card (make sure the other players don't see) and act out the action.

The other players will guess would verb you are acting out – the player that guesses correctly in English first wins the card and then you move onto the next player.

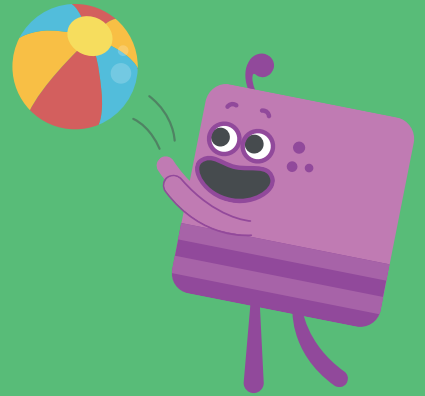

The player with the most cards at the end wins.
