

Yum Eats Activity

Preparation:

1. Construct the Cube Character - Yum, following the instructions on the sheet.
2. Cut out the food squares.

How to play:

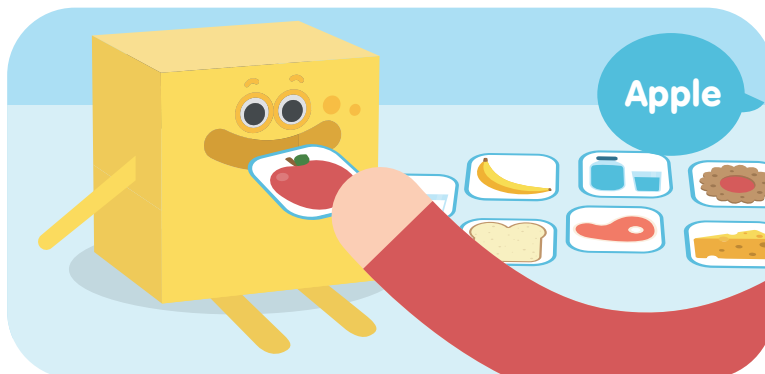

Place the eight food squares face up on a table.

Say one of the following action phrases:

- Where is the apple
- Yum wants the apple
- Find the apple
- I want the apple
- I want to eat the apple

The other player must find the apple from the food squares and slot it into Yum's mouth and either repeat the food name or expand by saying one of the following:

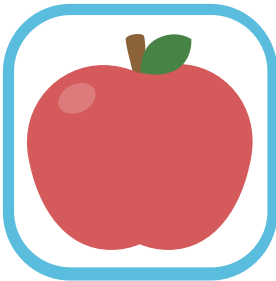

- Eat the apple
- Here is the apple
- Yum is eating the apple

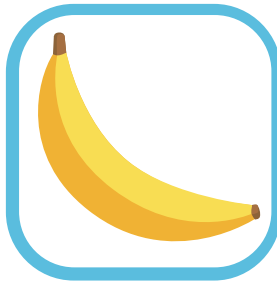

Yum Eats Activity

Food squares

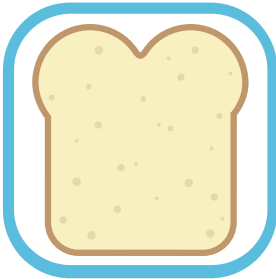

Cut out the eight food squares on this page, to use with the Yum Eats activity.

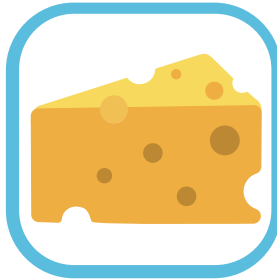

apple

banana

bread

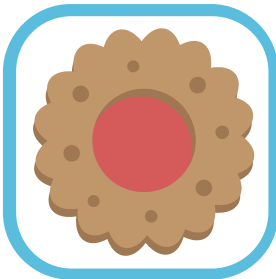

cheese

meat

milk

biscuit

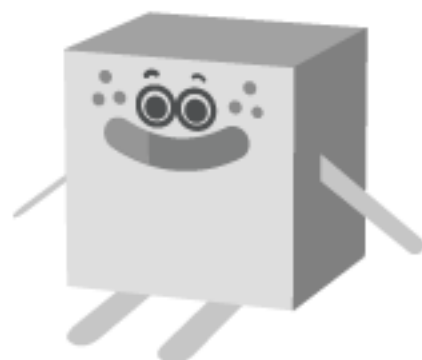

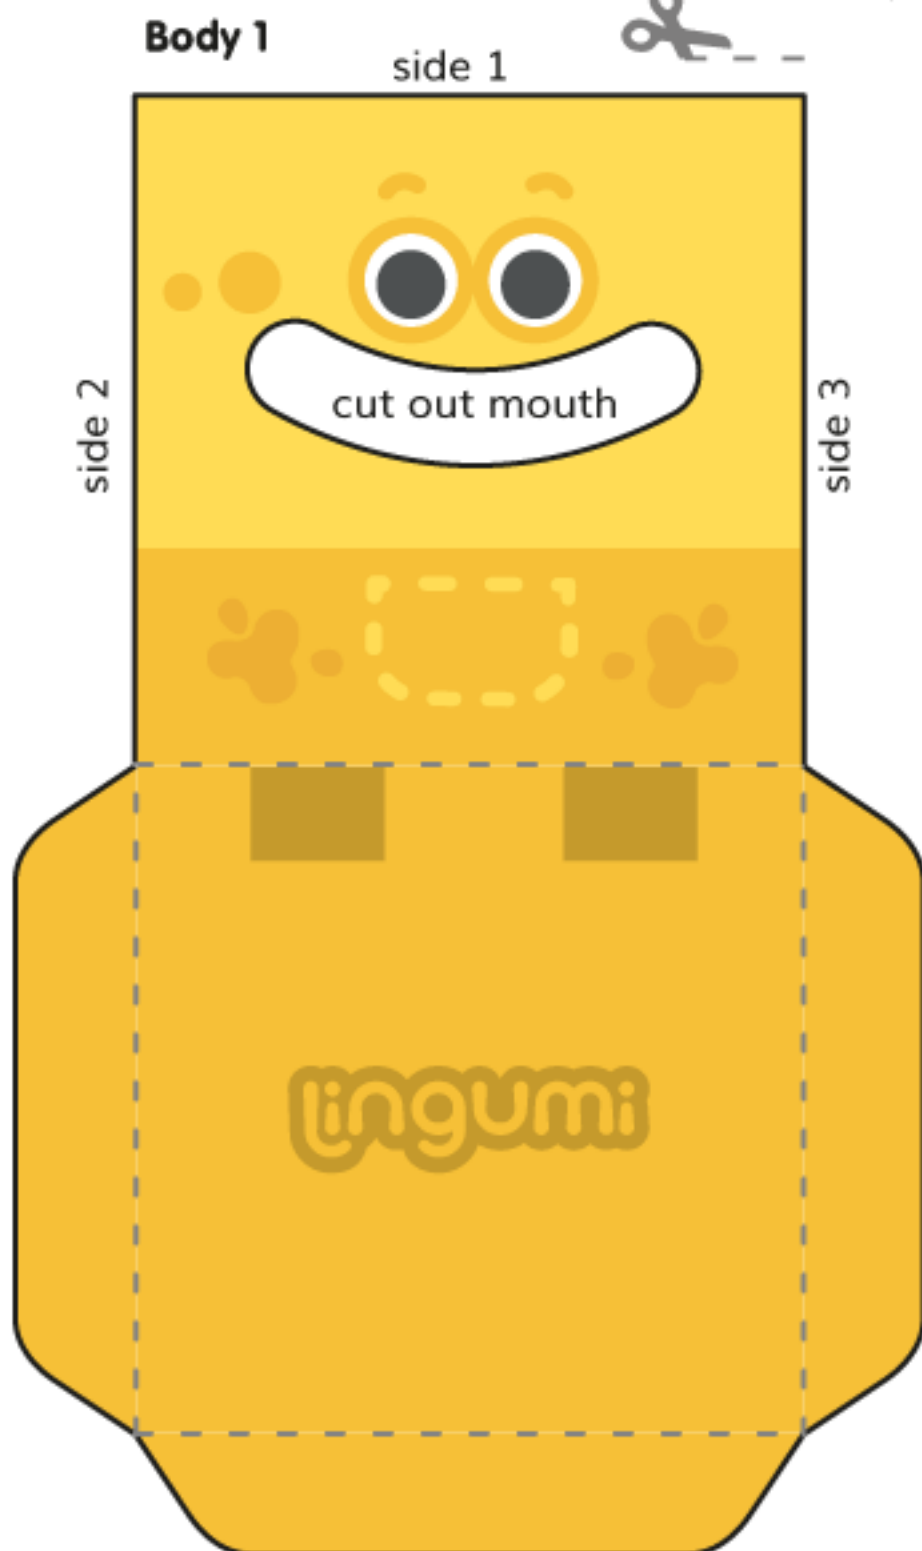

water

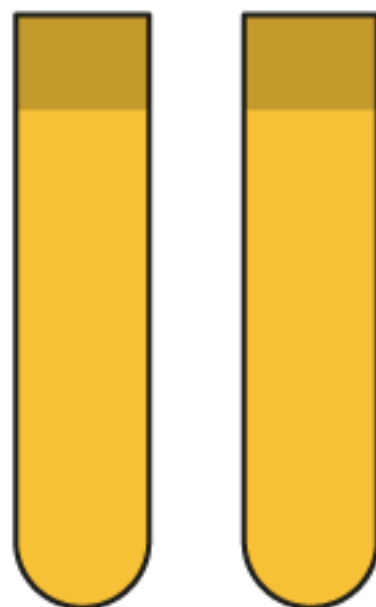

Make a Lingumi cube

Instructions:

1. Cut around the solid lines of body 1, 2, Legs and Arms, making slits for the arms and hair and cut out the character's mouth.
2. Fold along all of the dotted lines.
3. Glue or tape tab 1 to side 1 (the top of the character's head).
4. Glue or tape all other tabs to their corresponding/adjacent sides.
5. Fold the arms in half and slot each one in either side of the cube.
6. Stick the grey tabs on the top of the legs to the grey squares on the bottom of the cube.
